WORK EXPERIENCE

US-Bangla Assets Ltd, Dhaka, Bangladesh

Jan. 2026 – Present

Executive, Dept. of Corporate & Regulatory Affairs

Dhaka-1212

- Direct the drafting and finalization of Annual General Meeting (AGM) documents and other critical corporate records.
- Manage comprehensive legal and regulatory compliance for a massive conglomerate portfolio of **38 subsidiary companies**.
- Liaise directly with the Registrar of Joint Stock Companies and Firms (RJSC&F) and other regulatory bodies to secure rapid approvals and ensure smooth, legally sound business operations.

North South University

Dec. 2022 – Present

Research Assistant (Dept. of Economics)

Dhaka-1229

- **Accepted Publication:** Co-authored "Forecasting Minute-Level Stock Prices with Denoised Data: A Comparative Study of Developed vs. Developing Financial Markets," accepted in *F1000Research* for publication.
- Co-authored (as **corresponding author**) a peer-reviewed paper in *Canadian Journal of Business & Information Studies* (6:6) with **Afrina Khanam Moni & Marium Benty Halim** on evaluating portfolio performance.
- Utilized Python (PyPortfolioOpt) to analyze stock data from the NSE, conducting rigorous statistical analysis to support evidence-based findings.
- Currently collaborating on two additional research papers for the Department of Economics and the Department of Accounting & Finance.
 - **Key Results:** Successfully published research in a peer-reviewed journal within the first year of tenure.

North South University

Feb. 2024 – Sep. 2025

Undergraduate Teaching Assistant (Dept. of Economics)

Dhaka-1229

- **Core responsibility** : Facilitate academic operations by proctoring exams, grading assessments, and managing communication between faculty and students to ensure smooth course delivery.

North South University Ethics & Diversity Club (NSUEDC)

Oct. 2022 – Oct. 2024

In-Charge, Administration

Dhaka-1229

- Led administrative logistics for "Convocation '23" and the "International Cultural Diversity Fest" (Nov 2024), overseeing team coordination and event execution.
- Managed club operations and diverse teams, enhancing organizational adaptability and time-management capabilities.

North South University

Mar. 2022 – Feb. 2024

PABX & Pzone Associate

Dhaka-1229

- Operated as the central **Campus Helpdesk**, serving as the primary point of contact for the entire faculty and student body regarding technical and administrative inquiries.
- Managed official email correspondence to troubleshoot and resolve student issues, acting as a critical bridge between the student body and university administration.
- Maintained internal and external communication systems (PABX) and assisted users with technical document processing in the Pzone.

KEY ACADEMIC PROJECTS

Comprehensive Financial Valuation & Equity Research (Marico Bangladesh) | *FIN 435 & FIN 410*

- Conducted in-depth financial statement analysis and equity valuation utilizing DCF (FCFF, FCFE), DDM, and market multiples.
- Built robust financial models incorporating WACC, CAPM, and macroeconomic risks to deliver data-driven investment recommendations.

Comparative Performance Analysis of Commercial Banks | *Academic Project (FIN 464)*

- Evaluated the liquidity, profitability, and risk profiles of Premier Bank, NCC Bank, and ONE Bank PLC by analyzing key metrics like ROA, ROE, and Debt-to-Equity.

Macroeconomic & Foreign Currency Analysis | *Academic Project (FIN 444)*

- Analyzed BDT exchange rate dynamics against USD, PKR, and INR, assessing the impact of domestic inflation and political stability on currency volatility.

Comparative Financial & Ratio Analysis | *Academic Project (FIN 254)*

- Conducted comparative ratio analysis of Heidelberg Cement and Lafarge Holcim to evaluate operational efficiency and solvency within the building materials sector.

Estimation of the Production Function (Cobb-Douglas) | *Academic Project (ECO 372)*

- Estimated a Cobb-Douglas model via multiple log-log regressions to evaluate the impact of macroeconomic variables (capital, labor, trade) on GDP.
- Conducted rigorous econometric model validation, including the Breusch-Pagan test for homoskedasticity.
